

Pre-Registration Prize!!!

JULY 27 - 28 HAM HOLIDAY 2018

ARRL Oklahoma State Convention and HamFest

This annual event, started in 1974, brings together the amateur radio operators from across the region. HamFests help you to get licensed, get more information about the hobby and service, and let you view, purchase, and meet with others to obtain everything you need to get on the air, and keep you there.

This year we've got a new facility, the Tower Hotel, conveniently located at NW Expressway & I-44, and we're filling it to the brim with vendors, forums, VE tests and flea market tables. ARRL / ARES / Digital / Youth forums. Tickets available from any CORA member club, or **online at HamHoliday.com**

\$10 advanced / \$12 at the door. \$20 gets admission plus 10 additional raffle tickets. Extra prize raffle ticket \$1. Friday catered banquet, with featured speaker, \$25.
