# HAM HOLIDAY 2019

## ARRL Oklahoma State Convention and HamFest

This annual event started in 1974 and brings together amateur radio operators from across the region. HamFests are a great place to get buy parts, radios, and related gear. You can also get licensed, or upgrade your license **for FREE**. Find out more information about the hobby and obtain everything you need to get on the air, and stay there.

This year we've got a new facility, the Oklahoma City Community College (OCCC), 7777 S. May (I-240 & May), and we're filling it to the brim with vendors, forums, VE tests and flea market tables. ARRL / ARES / Digital / Youth forums. Show up hungry because the R 'LiL' Diner food truck will be open for you to have **breakfast and lunch**. Discount tickets are available from any CORA member club, or **online at [HamHoliday.com](http://HamHoliday.com)**

\$10 advanced / \$12 at the door. \$20 gets admission plus 10 additional raffle tickets. Extra prize raffle ticket are always available for \$1. After the Friday session our BBQ banquet will have nationally known amateur radio youth educator Carole Perry WB2MGP will talk about getting youth involved in ham radio.

Tickets are still only \$25. There will be a **Wouff Hong** ceremony at 9:00 pm, after the banquet for ARRL members.
